

Product Name: CHA-TSU-MI

With every bottle you drink, you create an experience for yourself, enjoy clarity and relaxation, and also support the future of tea farmers.

Product Description:

Tea leaves are 3,000-yen/100g class, special "CHA-TSU-MI" original blend, which is made with the highest-quality tea leaves of each year.

This product will allow you to make fresh, high-quality Japanese tea in a variety of places, and enjoy its authentic flavour/aroma wherever you want, whenever you want.

The base flavour is smooth with a light, refreshing taste, and very good depth and umami flavour. It enhances the flavour of all kinds of dishes.

How to Drink:

- (1) Twist the cap once. The tea will release.
- (2) Close the cap.
- (3) Hold the bottle and shake it up and down (20 sec.)
It is ready to drink once the content of the bottle turns a vibrant green.
Made to be a compact product (190ml)—a good amount to drink in one go.

Pulverized tea leaves fall into spring water from Mt. Chokai to create the tea.

Enhance All Kinds of Experiences:

- Bring it on your vacation for even more fun
- Bring it with you to hiking, etc., for an added sense of achievement/satisfaction
- Easy to make while offering authentic flavour -great to serve to guests
- Portable, so you can serve it to guests in all kinds of scenarios

Also comes in a case so you can take it with you as a gift.
